## From Editor's Desk

Dear Readers, Greetings!

Researchers are really doing a marvellous job in publishing their work in this peer reviewed journal. All their works are well appreciated. All the readers are encouraged to publish their ongoing original research activities in the field of dermatology, cosmetology, aesthetic surgery, innovative therapeutic approaches with us. As the dermatology is evolving in various fields like paediatric dermatology, geriatric dermatology, dermato-surgery, newer advances in the dermatology therapeutics, evidence based approach in all dermatoses, wide scope is there for all your works. All your contributions will be published under following categories: Personal view, review articles, original papers, professional papers, preliminary reports, reviews of scientific meeting and book reviews. It is being a great pleasure to be associated with the excellent editorial team, energetic publishers and enthusiastic readers. I congratulate the innovative publications team for their tireless efforts in quick processing and faster communication with the authors and reviewers and also bringing out such innovative journal in the field of dermatology and its sub specialities.

Happy reading.
