

From Editor's Desk

Dear Readers, Greetings!

It's really prouder moment to go through excellent articles in this October – December 2022 issue. Challenging topics with informative write-ups make me feel more delighted. I wholeheartedly congratulate all researchers and authors instrumental in bring out innovative topics. We welcome all your articles focussing on dermatology, cosmetology, aesthetic surgery, innovative therapeutic approaches with us. Various subspecialty topics on paediatric dermatology, geriatric dermatology, dermato-surgery, newer advances in the dermatology therapeutics are anticipated. Evidence based therapeutic trials in difficult to manage dermatoses can attract more viewers. In IJCED you can publish under various categories: Personal view, review articles, original papers, professional papers, preliminary reports, and reviews of scientific meeting and book reviews.

All our reviewers, editorial team and publication section of innovative team are the pillars of this successful pear reviewed journal. Very happy to see the more number of downloads, citations quoting this prestigious journal. I congratulate the innovative publications team for their tireless efforts in quick processing and faster communication with the authors and reviewers and also bringing out such innovative journal in the field of dermatology and its sub specialities. Advanced happy New Year 2023.

Happy reading.
